---

The cloth originally actually supplied was 962 13/48 Syds of which 45 1/6 Syds were returned on 5-2-40, the balance payable being 917 5/48 Syds. But only 771 Syds of cloth were paid for based on actual area of ceiling done for which labour charges have been paid to the contractor (without allowing for overlapping and wastages) The payment for the balance quantity was under correspondence till now. After a detail report was submitted to Superintending Engineer explaining the whole situation it was ordered by him to pay for the balance quantity viz. 146 5/48 Syds @ 0-10-0 a Syd as agreed to. Hence the present estimate for the balcne quantity only to enable the amount being paid.
